EXCELLENT TRIPADVISOR REVIEW

"We were lucky enough to celebrate Our Ruby Anniversary at this stunning hotel. The Villa Levens is set in superb grounds with lots of areas to walk in or just sit and take in the views. When entering the lobby the staff very friendly and welcoming with excellent knowledge of places to visit or just to give directions. The interior is beautiful and clean with many areas to enjoy and drink or relax the main hall has a magnificent wooden staircase which leads to the bedrooms. We stayed in one of the State rooms with a view of the front lawns of the hotel our room was spotlessly clean, light and airy with a large comfortable bed. The en-suite had a bath and shower with the nice touch of a television at the end of the enormous bath with plenty of clean soft towels and toiletries. The service in the dining room was fantastic with a excellent menu to choose from all cooked freshly and served piping hot and very good portions. Thank you to all the staff for making our stay so memorable. Would definitely recommend a stay here and hope to come back soon."

Testimonial

Alison & Jonathan married 09/08/2021

"From the first time we visited The Villa, we knew it was the venue for us. We wanted a small, relaxed ceremony and meal, followed by a big celebration in the evening. This is exactly what we got. We chose to have our ceremony in the Orangery, through the original stone arch, that we fell in love with immediately. It was perfect for an intimate wedding of around 25 guests. The room was then turned around for the meal, while we enjoyed drinks outside, enjoying the surrounding scenery. The food was outstanding, with many of our guests commenting how much they enjoyed it. In the evening, we were down at The Pavilion, when the real celebration began. Again, this was the perfect setting for lots of dancing and drinking. Thank you for making our day so perfect. The Villa now has a special place in our hearts forever."
